Dear Helmut;

My wife Debbie and I would like to thank you and your Company for the superior landscaping, fencing and deck work completed recently. The professionalism, attention to detail and quality workmanship shown by you and your staff has been a real pleasure for us. We were consulted at each phase of the project and kept in the loop throughout. Our neighbors have and continue to give us regular compliments regarding each aspect of the work.

Debbie and I have already shared our experience with your Company with friends and co-workers. You may have heard from some of them already, but if not we're sure you will in the very near future. We look forward to the time when we will call upon your services again for another project in our yard. Knowing it will be completed to our satisfaction and on time is something we can count on with Barwich Landscaping.

Thank you again Helmut from both of us.

Sincerely,
